

**US EPA, Office of Enforcement and Compliance Assurance, Office of Compliance, Enforcement Planning, Targeting & Data Division (EPTDD)**

# **AFS Configuration Control Board (CCB)**

- **Charter established to define rules to propose changes or enhancements to AFS.**
- **8 Voting members**
- **Meets at least 4 times per year.**

# How the CCB Works:

- Written requests for changes or enhancements are submitted through CCB members or the AFS Regional Compliance Managers.
- AFS System Administrator either:
  - Implements simple/routine requests.
  - Directs request to a committee for decision.
  - Submits request to CCB for review.

# How the CCB Works:

- Approval of requests via majority vote.
- Prioritize changes for substantial or expensive changes.
